

RESILIENCE & IMMUNITY

We live in a world of change and how we respond can be an indicator of our mind-body balance and inner reserves. The Resilience & Immunity program empowers with its focus on physical health and resilience of heart and mind. It incorporates mindfulness training, meditation and bioresonance therapy to cultivate deep tranquility as well as Traditional Chinese Medicine, herbal supplements, and functional testing to identify and address areas of imbalance. This program is designed for these challenging times and is ideal for anyone experiencing post-viral fatigue, living with auto-immune conditions or wishing to feel more robust and fortified in the face of life's uncertainties.
